POLICY FOR RELATIONSHIPS AND SEX EDUCATION

Holy Family Catholic Multi Academy Trust's Mission Statement

We develop individual excellence, embrace opportunities and build strong communities with Gospel values at the heart.

In this policy the directors, governors and teachers, in partnership with pupils and their parents, set out their intentions about relationships and sex education(RSE). It will clearly set out our rationale and the approach we are taking to deliver relationships and sex education in our schools.

We have consulted with stakeholders to ensure that our communities are fully informed of our intentions and have had a chance to express their views. This is a statutory requirement.

Consultations have involved:

- questionnaires being issued to parents / carers
- a review of RSE curriculum content with staff and pupils
- consultation with school governors

Implementation and Review of Policy

Implementation of the policy will take place after consultation with the governors in the summer term (2021). It will be reviewed every year by the Head Teacher, RSE Coordinator, the Local Governing Body and Staff. The next review date is Autumn 2027.

Dissemination

The policy will be given to all members of the Governing Body and all teaching / non-teaching members of staff. Copies of the document will be available to all parents through each school's website and a copy is available in each school's office. Details of the content of the RSE curriculum will also be published on each school's website in addition.

DEFINING RELATIONSHIP AND SEX EDUCATION

The DfE guidance states that "children and young people need to know how to be safe and healthy, and how to manage their academic, personal and social lives in a positive way"¹. It is about the development of the pupil's knowledge and understanding of her or him as a sexual being, about what it means to be fully human, called to live in right relationships with self and others and being enabled to make moral decisions in conscience. In primary schools the focus should be on "teaching the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships, and relationships with other children and with adults."² This would include the topics of families and the people who care for me, caring friendships, respectful relationships, online relationships and being safe. In Secondary schools RSE should "give young people the information they need to help them develop healthy, nurturing relationships of all kinds, not just intimate relationships. It should enable them to know what a healthy relationship looks like and what makes a good friend, a good colleague and a successful marriage or other type of committed

² Relationships Education, Relationships and Sex Education (RSE) and Health Education: Statutory guidance for governing bodies, proprietors, head teachers, principals, senior leadership teams, teachers Page 19

relationship. It should also cover contraception, developing intimate relationships and resisting pressure to have sex (and not applying pressure).”³

STATUTORY CURRICULUM REQUIREMENTS

We are legally required to teach those aspects of RSE which are statutory parts of National Curriculum Science.

However, the reasons for our inclusion of RSE go further.

RATIONALE

‘I HAVE COME THAT YOU MIGHT HAVE LIFE AND HAVE IT TO THE FULL’ (Jn.10.10)

We are involved in relationships and sex education precisely because of our Christian beliefs about God and about the human person. The belief in the unique dignity of the human person made in the image and likeness of God underpins the approach to all education in a Catholic school. Our approach to RSE therefore is rooted in the Catholic Church’s teaching of the human person and presented in a positive framework of Christian ideals.

At the heart of the Christian life is the Trinity; Father, Son and Spirit in communion, united in loving relationships and embracing all people and all creation. As a consequence of the Christian belief that we are made in the image and likeness of God, gender and sexuality are seen as God’s gift, reflect God’s beauty, and share in the divine creativity. RSE, therefore, will be placed firmly within the context of relationship as it is there that sexuality grows and develops.

Following the guidance of the Bishops of England and Wales and as advocated by the DfE, RSE will be firmly embedded in the PSHE framework as it is concerned with nurturing human wholeness and integral to the physical, spiritual, emotional, moral, social and intellectual development of pupils. It is centred on Christ’s vision of being human as good news and will be positive and prudent, showing the potential for development, while enabling the dangers and risks involved to be understood and appreciated.

All RSE will be in accordance with the Church’s moral teaching. It will emphasise the central importance of marriage and the family whilst acknowledging that all pupils have a fundamental right to have their life respected whatever household they come from. It will also prepare pupils for life in modern Britain.

VALUES AND VIRTUES

Our programme enshrines Catholic values relating to the importance of stable relationships, marriage and family life. It also promotes those virtues which are essential in responding to God’s call to love others with a proper respect for their dignity and the dignity of the human body. The following virtues will be explicitly explored and promoted: faithfulness, fruitfulness, chastity, integrity, prudence, mercy and compassion.

AIM OF RSE AND THE MISSION STATEMENT

Our Mission Statement commits us to the education of the whole child (spiritual, physical, intellectual, moral, social, cultural, emotional) and we believe that RSE is an integral part of this education. Furthermore, our schools’ aims state that we will endeavour to raise pupils’ self-esteem, help them to grow in knowledge and understanding, recognise the value of all persons and develop caring and sensitive attitudes. It is in this context that we commit ourselves to partnership with parents so that we can provide children and young people with a

³ Relationships Education, Relationships and Sex Education (RSE) and Health Education: Statutory guidance for governing bodies, proprietors, head teachers, principals, senior leadership teams, teachers Page 25

“positive and prudent sexual education”⁴ which is compatible with their physical, cognitive, psychological, and spiritual maturity, and rooted in a Catholic vision of education and the human person.

Objectives

To develop the following **attitudes and virtues**:

- Reverence for the gift of human sexuality and fertility;
- Respect for the dignity of every human being – in their own person and in the person of others;
- Joy in the goodness of the created world and their own bodily natures;
- Responsibility for their own actions and a recognition of the impact of these on others;
- Recognising and valuing their own sexual identity and that of others;
- Celebrating the gift of life-long, self-giving love;
- Recognising the importance of marriage and family life;
- Fidelity in relationships.

To develop the following **personal and social skills**:

Outcomes

- Making sound judgements and good choices which have integrity, and which are respectful of the individual's commitments;
- Loving and being loved, and the ability to form friendships and loving, stable relationships free from exploitation, abuse and bullying;
- Managing emotions within relationships, and when relationships break down, with confidence, sensitivity and dignity;
- Managing conflict positively, recognising the value of difference;
- Cultivating humility, mercy and compassion, learning to forgive and be forgiven;
- Developing self-esteem and confidence, demonstrating self-respect and empathy for others;
- Building resilience and the ability to resist unwanted pressures, recognising the influence and impact of the media, internet and peer groups and so developing the ability to assess pressures and respond appropriately;
- Being patient, delaying gratification and learning to recognise the appropriate stages in the development of relationships, and how to love chastely;
- Assessing risks and managing behaviours in order to minimise the risk to health and personal integrity.

To **know and understand**:

- The Church's teaching on relationships and the nature and meaning of sexual love;
- The Church's teaching on marriage and the importance of marriage and family life;
- The centrality and importance of virtue in guiding human living and loving;
- The physical and psychological changes that accompany puberty;
- The facts about human reproduction, how love is expressed sexually and how sexual love plays an essential and sacred role in procreation;
- How to manage fertility in a way which is compatible with their stage of life, their own values and commitments, including an understanding of the difference between natural family planning and artificial contraception;
- How to keep themselves safe from sexually transmitted infections and how to avoid unintended pregnancy, including where to go for advice.

⁴ *Gravissimum Educationis* 1

INCLUSION AND DIFFERENTIATED LEARNING

We will ensure RSE is sensitive to the different needs of individual pupils in respect to pupils' different abilities, levels of maturity and personal circumstances; for example, their own sexual orientation, faith or culture and is taught in a way that does not subject pupils to discrimination. Lessons will also help children to realise the nature and consequences of discrimination, teasing, bullying and aggressive behaviours (including cyber-bullying), use of prejudice-based language and how to respond and ask for help. (In looking at these questions, it is important to draw links to the school's inclusion policy.)

EQUALITIES OBLIGATIONS

The governing body have wider responsibilities under the Equalities Act 2010 and will ensure that our school strives to do the best for all of the pupils, irrespective of disability, educational needs, race, nationality, ethnic or national origin, pregnancy, maternity, sex, gender identity, religion or sexual orientation or whether they are looked-after children.

BROAD CONTENT OF RSE

Three aspects of RSE - attitudes and values, knowledge and understanding, and personal and social skills will be provided in three interrelated ways: the whole school / ethos dimension; a cross-curricular dimension and a specific relationships and sex curriculum.

PROGRAMME / RESOURCES

Appendices to this policy provide further information about the programme and resources for suggested use.

Teaching strategies will include:

- Establishing ground rules
- Distancing techniques
- Discussion
- Project learning
- Reflection
- Experiential
- Active
- Brainstorming
- Film & video
- Group work
- Role-play
- Trigger drawings
- Values clarification

PARENTS AND CARERS

We recognise that parents (and other carers who stand in their place) are the primary educators of their children. As a Catholic school, we provide the principal means by which the Church assists parents and carers in educating their children. Therefore the school will support them by providing material to be shared with their children at home and workshops to help parents/carers to find out more. Parents/carers will be informed by letter when the more sensitive aspects of RSE will be covered in order that they can be prepared to talk and answer questions about their children's learning.

Parents must be consulted before this policy is ratified by the governors. They will be consulted at every stage of the development of the RSE programme, as well as during the process of monitoring, review and evaluation. They will be able to view the resources used by the school in the RSE programme. Our aim is that, at the end of the consultation process, every parent and carer will have full confidence in the school's RSE programme to meet their child's needs.

Parents continue to have **the right to withdraw** their children from Sex Education except in those elements which are required by the National Curriculum science orders. Should parents wish to withdraw their children they are asked to notify the school by contacting the head teacher. The school will provide support by providing material for parents to help the children with their learning.

We believe that the controlled environment of the classroom is the safest place for this curriculum to be followed. Please refer to the DfE guidance Page 17 for further details on the right to be excused from sex education (commonly referred to as the right to withdraw).

BALANCED CURRICULUM

Whilst promoting Catholic values and virtues and teaching in accordance with Church teaching, we will ensure that pupils are offered a balanced programme by providing an RSE programme that offers a range of viewpoints on issues. Pupils will also receive clear scientific information as well as covering the aspects of the law pertaining to RSE (in secondary schools/academies relating to forced-marriage, female genital mutilation, abortion, the age of consent and legislation relating to equality). Knowing about facts and enabling young people to explore differing viewpoints is not the same as promoting behaviour and is not incompatible with our school's promotion of Catholic teaching. We will ensure that pupils have access to the learning they need to stay safe, healthy and understand their rights as individuals.

RESPONSIBILITY FOR TEACHING THE PROGRAMME

Responsibility for the specific relationships and sex education programme lays with the relevant curriculum staff in each school. For primary schools, this will be class teachers. For secondary schools, this will include science, religious education, physical education, RSE and PSHE teachers.

However, all staff will be involved in developing the attitudes and values aspect of the RSE programme. They will be role models for pupils of good, healthy, wholesome relationships as between staff, other adults and pupils. They will also be contributing to the development of pupils' personal and social skills.

External Visitors

Our schools will often call upon help and guidance from outside agencies and health specialists to deliver aspects of RSE. Such visits will always complement the current programme and never substitute or replace teacher led sessions. It is important that any external visitor is clear about their role and responsibility whilst they are in school delivering a session. Any visitor must adhere to our code of practice developed in line with CES guidance 'Checklist for External Speakers to Schools'⁵.

Health professionals should follow the school's policies, minimising the potential for disclosures or inappropriate comments using negotiated ground rules and distancing techniques as other teachers would. They will ensure that all teaching is rooted in Catholic principles and practice.

OTHER ROLES AND RESPONSIBILITIES REGARDING RSE

Governors

⁵ Checklist for External Speakers to Schools - CES

- Draw up the RSE policy, in consultation with parents and teachers;
- Ensure that the policy is available to parents;
- Ensure that the policy is in accordance with other whole school policies, e.g., SEN, the ethos of the school and our Christian beliefs;
- Ensure that parents know of their right to withdraw their children;
- Establish a link governor to share in the monitoring and evaluation of the programme, including resources used;
- Ensure that the policy provides proper and adequate coverage of relevant National Curriculum science topics and the setting of RSE within PSHE.

Head Teacher

The head teacher takes overall delegated responsibility for the implementation of this policy, including liaising with the Governing Body, parents, the Diocesan Schools' Service, the Local Authority and appropriate external agencies.

PSHE/RSE Co-Ordinator

The co-ordinator with the head teacher has a general responsibility for supporting other members of staff in the implementation of this policy and will provide a lead in the dissemination of the information relating to RSE and the provision of in-service training. *(They will be supported by curriculum leaders and Designated Safeguarding Lead.)*

All Staff

RSE is a whole school issue. All teachers have a responsibility of care: as well as fostering academic progress they should actively contribute to the guardianship and guidance of the physical, moral and spiritual well-being of their pupils. Teachers will be expected to teach RSE in accordance with the Catholic Ethos of the school. Appropriate training will be made available for all staff teaching RSE. All staff have been included in the development of this policy and all staff should be aware of the policy and how it relates to them.

RELATIONSHIP TO OTHER POLICIES AND CURRICULUM SUBJECTS

This RSE policy is to be delivered as part of the PSHE framework. It includes guidelines about pupil safety and is compatible with the school's other policy documents (for example, Bullying policy, Safeguarding Policy etc)

Pupils with particular difficulties whether of a physical or intellectual nature will receive appropriately differentiated support in order to enable them to achieve mature knowledge, understanding and skills. Teaching methods will be adapted to provide access to learning for these pupils.

Learning about RSE in PSHE classes will link to/complement learning in those areas identified in the RSE audit.

CHILDREN'S QUESTIONS

The governors want to promote a healthy, positive atmosphere in which RSE can take place. They want to ensure that pupils can ask questions freely, be confident that their questions will be answered, and be sure that they will be free from bullying or harassment from other children and young people.

Controversial or Sensitive issues

There will always be sensitive or controversial issues in the field of RSE. These may be matters of maturity, of personal involvement or experience of children, of disagreement with the official teaching of the Church, of illegal activity or other doubtful, dubious or harmful activity. The governors believe that children are best protected from harm and exploitation through open discussion of such issues within the constraints of the RSE programme. The use of ground rules, negotiated between teachers and pupils, will help to create a supportive climate for discussion.

Some questions may raise issues which it would not be appropriate for teachers to answer during ordinary class time, e.g., where a child or young person's questions hints at abuse, is deliberately tendentious or is of a personal nature.

SUPPORTING CHILDREN AND YOUNG PEOPLE WHO ARE AT RISK

Children will also need to feel safe and secure in the environment in which RSE takes place. Effective RSE will provide opportunities for discussion of what is and is not appropriate in relationships. Such discussion may well lead to disclosure of a safeguarding issue. Teachers will need to be aware of the needs of their pupils and not let any fears and worries go unnoticed. Where a teacher suspects that a child or young person is a victim of or is at risk of abuse they are required to follow the school's safeguarding policy and immediately inform the designated senior member of staff responsible.

CONFIDENTIALITY AND ADVICE

All governors, teachers, support staff, parents and pupils must be made aware of this policy, particularly as it relates to issues of advice and confidentiality.

All lessons, especially those in the RSE programme, will have the best interests of pupils at heart, enabling them to grow in knowledge and understanding of relationships and sex, developing appropriate personal and social skills and becoming appreciative of the values and attitudes which underpin the Christian understanding of what it means to be fully human.

Pupils will be encouraged to talk to their parents/carers about the issues which are discussed in the programme. Teachers will always help pupils facing personal difficulties, in line with the school's pastoral care policy. Teachers should explain to pupils that they cannot offer unconditional confidentiality, in matters which are illegal or abusive for instance. Teachers will explain that in such circumstances they would have to inform others, e.g., parents, head teacher, but that the pupils would always be informed first that such action was going to be taken

MONITORING AND EVALUATION

The RSE Co-ordinator will monitor the provision of the various dimensions of the programme by examining plans, schemes of work and samples of pupils work at regular intervals. The programme will be evaluated biannually by means of questionnaires / response sheets / needs assessment given to pupils, and / or by discussion with pupils, staff and parents. The results of the evaluation should be reported to these groups of interested parties and their suggestions sought for improvements. Governors will consider all such evaluations and suggestions before amending the policy. Governors remain ultimately responsible for the policy.

Appendix 1: Relationships and Sex Education at X School

Life to the Full : An Overview

The programme structure in “Life to the Full,” is split into three distinct units which are then repeated across the four different learning stages:

- **Early Years Foundation Stage (EYFS)** section is aimed at Early Years pupils
- **Key Stage One (KS1)** is aimed at Years 1 and 2
- **Lower Key Stage Two (LKS2)** is aimed at Years 3 and 4
- **Upper Key Stage Two (UKS2)** is aimed at Years 5 and 6

There are three modules within each learning stage, all based on the Model Catholic Relationships and Sex Education (RSE) Curriculum:

Module 1: Created and Loved by God

Module 2: Created to Love Others

Module 3: Created to Live in Community

Each Module is then broken down into separate Units of Work:

Module 1: Created and Loved by God	Module 2: Created to Love Others	Module 3: Created to live in Community
Religious Understanding; Me, My Body, My Health; Emotional Well-Being; Life Cycles	Religious Understanding; Personal Relationships; Keeping Safe	Religious Understanding ; Living in the Wider World

The programme adopts a spiral curriculum approach so that as your child goes through the programme year-after-year, the learning will develop and grow, with each stage building on the last.

Below is a summary of learning in each Key Stage across the three modules:

EYFS Module One: Overview

EYFS Module One: Created and Loved by God explores the individual. Rooted in the teaching that we are created by God out of love and for love, it helps children to develop an understanding of the importance of valuing themselves as the basis for personal relationships:

Unit 1 – Religious Understanding introduces children to the story of creation, where God created the earth, sea, stars, plants, animals and humans. The five-story sessions encourage children to creatively explore this topic and help them to deeply know that they are created by God out of love and for love.

In **Unit 2 – Me, My Body, My Health**, children meet the story book characters of Freddy Teddy, Mollie the Cat and Billy Bird who will reappear throughout this scheme of work. Children will learn about their uniqueness in real terms, including celebrating differences and individual gifts, talents and abilities. They will learn about looking after and using their God-given bodies and develop their vocabulary around this topic.

Over the three sessions of **Unit 3 – Emotional Well-Being**, children will learn about likes, dislikes and self-acceptance. They will learn from Freddy Teddy and his friends how to

describe different feelings, both good and bad. Finally through a real world example, children will learn that actions have consequences; that when we make mistakes we should say sorry and ask for forgiveness.

Through Mollie the Cat and Billy Bird talking about their respective journeys from kitten/egg to adult animals, in **Unit 4 – Life Cycles** children will explore the natural human cycle of life, focusing on what children can remember about their development so far and what they know will happen as they get older. This is underpinned by the religious understanding that growing up is part of God's plan for our lives and that we are loved by Him at every life stage.

EYFS Module Two: Overview

EYFS Module 2: Created to Love Others explores the individual's relationship with others. Building on the understanding that we have been created out of love and for love, this Module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe:

The two part session in **Unit 1 – Religious Understanding** firstly helps children to understand why the Bible is so special to Christians, and secondly helps children to act out the Gospel account of Jesus washing His disciples' feet, showing that He loves us and is a role model for us to copy in loving one another.

In **Unit 2 – Personal Relationships** children will expand their vocabulary by applying names to different family/friend relationships, consider positive/negative behaviour in relationships and learn to look to Jesus as their role model for a good friend. Children will learn to resolve conflict and the importance of asking for forgiveness: that when we hurt others, we also hurt Jesus – but that Jesus teaches us how to forgive ourselves and others.

In **Unit 3 – Keeping Safe**, children learn practical ways to stay safe inside and out, about bodily privacy (including the NSPCC PANTS message that 'privates are private') and the importance of talking to their 'special people' if anything troubles them. Children will meet animated expert Dr Datfa, who advises on medicine safety and the people who help us in emergencies (a session that can be linked to the 'People Who Help Us' topic in EYFS). All these topics are underpinned by the religious teaching that we are created and loved by God, with bodies and minds that He wants us to keep safe.

EYFS Module Three: Overview

EYFS Module Three: Created to Live in Community explores the individual's relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good.

Unit 1 – Religious Understanding introduces in a very simple way the concept of the Trinity, where God is three-in-one and each part loves the others and loves us. Children will come to understand that as we are made in the image of God, we are designed to love God and love one another in our wider communities too. Through the story of Jesus feeding the

5000 with just the humble offering of a small boy, children will learn that our loving actions can be used by God to do incredible things.

Unit 2 – Living in the Wider World helps children to extend their understanding of communities from Unit 1, as they learn about the responsibilities they have to people, places and the planet now and increasingly as they get older.

KS1 Module One: Overview

KS1 Module One: Created and Loved by God explores the individual. Rooted in the teaching that we are created by God out of love and for love, it helps children to develop an understanding of the importance of valuing themselves as the basis for personal relationships:

Unit 1 – Religious Understanding introduces children to the story from the Gospel of Matthew, when Jesus welcomed all of the little children to come to Him. The five-story sessions encourage children to understand that they are created by God out of love and for love. Children will revisit this Gospel story at the end of this Module.

Building on this knowledge, **Unit 2 – Me, My Body, My Health** encourages children to celebrate similarities and differences between people, including our God-given bodies and the things they enable us to do! Teaching also includes maintaining personal hygiene and the physical differences between boys and girls.

Over the three sessions of **Unit 3 – Emotional Well-Being**, children will meet presenters Jayden and Josie and fictional character Super Susie. They will help children to understand and articulate their own changing feelings and how other people's feelings might differ from theirs. Children will learn how they can manage their feelings and about the consequences of their actions.

Unit 4 – Life Cycles returns to the Gospel story from Unit 1, to show that God created us to follow the cycle of life and He loves us at every stage. Children will learn about the specifics of the human life cycle and celebrate how they have already changed and grown.

KS1 Module Two: Overview

KS1 Module 2: Created to Love Others explores the individual's relationship with others. Building on the understanding that we have been created out of love and for love, this module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe:

Unit 1 – Religious Understanding begins with an adapted version of the Prodigal Son story to show children that God loves us, and nothing we can do will stop Him from loving us.

In **Unit 2 – Personal Relationships** children once again meet Super Susie, who helps them to identify the 'special people' in their lives who they love and can trust. In further sessions,

children will learn how to cope with various social situations and dilemmas, and the importance of saying sorry and forgiveness within relationships.

In **Unit 3 – Keeping Safe**, Super Susie helps children to tell the difference between good and bad secrets. This unit also explores the risks of being online by incorporating the ‘Smartie the Penguin’ resources from Childnet, and teaching on physical boundaries, incorporating the PANTS resource by the NSPCC. Through the animated expert Dr Datfa, children will also learn about the effects of harmful substances (including alcohol and tobacco), some basic First Aid, what makes a 999 emergency and what they should do if in an emergency situation.

KS1 Module Three: Overview

KS1 Module Three: Created to Live in Community explores the individual’s relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good.

In **Unit 1 – Religious Understanding** children will hear the story of The Good Samaritan and will be introduced to the concept of the Trinity – God as a three in one community of love – and think about what the Trinity means for them. This is a simple teaching that we will return to in more complexity in later years. These stories show children that God made us to be in loving relationships with one another.

Unit 2 – Living in the Wider World helps children to learn about the different local and global communities that they are part of, and what rights and responsibilities come with belonging to these communities.

Lower Key Stage 2 : Module One: Overview

LKS2 Module One: Created and Loved by God explores the individual. Rooted in the teaching that we are made in the image and likeness of God, it helps children to develop an understanding of the importance of valuing themselves as the basis for personal relationships:

Unit 1 – Religious Understanding explores the Gospel story Jairus’ daughter in various creative and reflective ways. Through story and discussion, children will learn that they are designed for a purpose and how they should live in light of this. A second session unpacks the Sacraments of Baptism and Reconciliation as a foretaste of heaven and a wonderful part of our relationship with God.

In **Unit 2 – Me, My Body, My Health**, children meet animated character, AJ, who will reappear throughout this scheme of work. In this Unit, children will learn to celebrate similarities and differences, and to appreciate and look after their bodies as gifts from God.

Teaching also covers specific physical and emotional changes during puberty, and that growing from boys and girls to men and women is part of God's loving plan for creation.

Unit 3 – Emotional Well-Being helps children to understand the difference between feelings and actions, how to manage them and what they can do to help themselves stay emotionally healthy. In this Unit, media is discussed as a 'fake reality' and God's love for us is presented as a better basis for our self-confidence. Finally, children will identify unacceptable behaviours and learn to build resilience against negative feelings by practising thankfulness.

Returning to the story of Jairus' daughter from Unit 1, **Unit 4 – Life Cycles** explores the miraculous nature of human conception and birth and offers an opportunity for thanksgiving. Sexual intercourse is not discussed in this session.

Lower Key Stage 2: Module Two: Overview

LKS2 Module Two: Created to Love Others explores the individual's relationship with others. Building on the understanding that we have been created out of love and for love, this module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe:

Unit 1 – Religious Understanding tells the parable of The Prodigal Son, showing that God loves us, and nothing we can do will stop Him from loving us. Children will also learn about different types of sin, and the importance of forgiveness in relationships.

The sessions in **Unit 2 – Personal Relationships** help children to develop a more complex appreciation of different family structures, develop healthy relationships with family and friends and learn some strategies to use when relationships become difficult. Teaching also covers how to recognise discrimination and bullying, both physical and emotional. Children will learn strategies to develop resilience and resist pressure.

Unit 3 – Keeping Safe incorporates some of the excellent NSPCC Share Aware resources, as well as teaching on bullying and physical, emotional and sexual abuse through a series of animated stories. Through the animated expert Dr Datfa, children will also learn in greater depth about the effects of drugs, alcohol and tobacco and how to make good choices concerning these as they get older. The final session of the Module explores in more detail what to do in emergency situations.

Lower Key Stage 2: Module Three: Overview

LKS2 Module Three: Created to Live in Community explores the individual's relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good:

Unit 1 – Religious Understanding explores in greater detail the community aspect of the Trinity and encourages children to think about what the Trinity means to them and how as they were made in God’s image, they too are created to live in community.

In **Unit 2 – Living in the Wider World**, children will learn some of the principles of Catholic Social Teaching from *Together For The Common Good*, which will help them to live in communities in the way God intends. Teaching includes the common good, the human person, social relationships and stewardship.

UKS2 Module One: Overview

UKS2 Module One: Created and Loved by God explores the individual. Rooted in the teaching that we are made in the image and likeness of God, it helps children to develop an understanding of the importance of valuing themselves as the basis for personal relationships:

Unit 1 – Religious Understanding explores the Gospel story of the ‘Calming of the Storm’ (from Matthew, Mark and Luke). Over five story sessions, children will consider experiences of change, growth and development, and the trust that they can have in the person of Jesus through times of trial and tribulation. This is the religious and spiritual foundation for the exploration throughout the rest of the work covered in **Module 1: Created and Loved By God**.

Teaching across the rest of the Units in this Module is based on our own TV drama series, **Paradise Street**.

In **Unit 2 – Me, My Body, My Health**, children will learn that celebrating differences between people is enriching to a community and know that their self-confidence should arise from being loved by God. They will learn about the physical changes that boys and girls go through during puberty and how they should respect and take care of their bodies as gifts from God. Genitals are also mentioned here, but not named and identified..

Continuing through the **Paradise Street** series, **Unit 3 – Emotional Well-Being** helps children learn about pressures that they may experience from themselves, others and the media. Children will develop ideas on how to build resilience through thankfulness, learn techniques to manage their thoughts, feelings and actions and cope with new or difficult feelings such as romance and rage. The final session in this Unit covers how children may be affected by what they see online.

In **Unit 4 – Life Cycles**, children will learn about God’s design for creating new life through a more nuanced understanding of menstruation, fertility, conception, fetal development in the womb and childbirth. An optional session talks about sexual intercourse within the context of marriage being God’s plan for the place of sex within a relationship.

UKS2 Module Two: Overview

UKS2 Module Two: Created to Love Others explores the individual’s relationship with others. Building on the understanding that we have been created out of love and for love,

this module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe:

Unit 1 – Religious Understanding explores the nature of God’s call to love others. Children will study and reflect imaginatively on the story of Zacchaeus’ conversion and explore ways in which they can hear God’s call in their lives.

Through a series of short sketches from presenters Zoe and Joey, **Unit 2 – Personal Relationships** aims to equip children with strategies for more complex experiences of relationships and conflict. This includes sessions that help children to identify and understand how to respond to spoken and unspoken pressure, the concept of consent and some practical demonstrations of this and further teaching on how our thoughts and feelings have an impact on how we act.

Unit 3 – Keeping Safe builds on the NSPCC Share Aware resources used in Lower Key Stage Two, equipping children to make safe and sensible decisions about what online content they should/shouldn’t share, cyberbullying and how to report and get help if they encounter inappropriate messages or material. The third session in the Unit moves into the real world and considers the four types of abuse: sexual, physical, emotional and neglect. Children will know how to spot each type of abuse and who they can go to for help.

The final three sessions in this Module explore how drugs, alcohol and tobacco can negatively affect people’s lifestyles and the body’s natural functioning, discuss how to make good choices even in pressured situations, and teach essential First Aid such as DR ABC and the recovery position.

UKS2 Module Three: Overview

UKS2 Module Three: Created to Live in Community explores the individual’s relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good:

Unit 1 – Religious Understanding deepens pupils understanding and appreciation of the three-part community of love, the Trinity, with the endpoint of discussing the Trinity as it might be communicated in a church setting. Children will learn that the Trinity demonstrates the perfect loving community, and we are called to emulate this self-giving and self-sacrificing love in our communities.

Building on learning from **Lower Key Stage Two, Unit 2 – Living in the Wider World** teaches children some of the principles of Catholic Social Teaching from *Together For The Common Good*, which will help them to fulfil their purpose of making a difference in the world around them. Teaching includes the common good, the human person, social relationships and stewardship.

Assessment:

The assessment tool within Life to the Full will be used initially with the intention of aligning assessment with other subjects (Balance) in the longer term.
